Preface

Best textile and garment industrial exhibition in Myanmar

The 8th Myanmar International Textile & Garment Industry Exhibition (MTG) will be held on November 1-4 at the Yangon Convention Center (YCC). This year, around 135 exhibitors from 12 countries and regions will use a gross space of 9,000 square meters to showcase a broad range of innovative products and versatile solutions.

Organized by Yorkers Trade & Marketing Service Co., Ltd and Paper Communication Exhibition Services, the grand event has won solid support from influential industry and business groups in Myanmar, including Myanmar Garment Manufacturers Association (MGMA), Myanmar Textile Manufacturers' Association (MTMA), and Republic of the Union of Myanmar Federation of Chambers of Commerce & Industry (U.M.F.C.C.I.).

Textile and garment industry growing steadily

The garment and footwear sectors are growing steadily into leading industries in Myanmar. New factories are humming all day long in Yangon's industrial center, generating annual exports of US\$3 billion.

To enter this booming textile and garment market, many international enterprises have taken MTG as the best occasion for meeting local decision buyers, offering their latest technologies and products in diverse industrial sectors to meet local market demands, thus significantly helping to drive the industrialization of Myanmar.

Grow with MTG

MTG is not only an iconic textile and garment industry exhibition satisfying demand for machinery equipment by local visitors, but also a crucial platform for them to make exchanges and build connections with all major industry professionals from around the world and locate potential business partners. Additionally, visitors can also learn the latest industry and market development trends, and access value-added resources. Over the past seven years, MTG has been widely recognized as the most important and must-attend annual event for the textile and garment industry in Myanmar.
