MYANMARPLAS PRINT PACK

Reboot the plastics, printing and packaging industries of Myanmar with more business prospects

Over 8 years of development, MyanmarPlasPrintPack has grown to be the largest and most iconic plastics, printing and packaging machinery exhibition in the nation of Myanmar over the past editions, which can help industry players connect with Myanmar domestic market deeply and build stronger relationship with local business. This year, the show will come back to Yangon Convention Centre (YCC) on 16 - 19 December with live, in-person trade shows and a series of corporate events.

With the cooperation of Myanmar Plastic Industries Association (MPIA) and other local strong supporters, the industry fair will offer exhibitors an one-stop platform to present their innovative and cost-effective products, fully cover different sectors of the whole supply chains such as raw materials, plastic injection & blow molding machines, packaging equipment & machinery, pre & post printing systems, finished products and many more. At the same time, a series of seminars, conferences, and networking programs will be brought for sharing industry insights and up-to-date technology, as well as building a high-quality B2B environment.

Why Choose MYANMARPLAS PRINT PACK?

- **The first international plastics, printing, and packaging industry exhibition** in Myanmar (since 2012)
- Organizer has **36 years of experience** in holding large-scale trade and consumer exhibitions as well as promoting industries on in-depth levels
- **The only authoritative exhibition** in its field in Myanmar, officially supported by many local associations and government agencies
- An **effective networking platform** for all industry players to build world connection and business partnerships
- Opportunities for exhibitors to **raise brands awareness** and **attract high-profile buyers & decision makers**
- Attendees can easily **collect valuable data** and **gain domain knowledge** on the latest innovations of the industries
